

Remarks

1. The parent application was subject to a restriction requirement, and Applicant elected to prosecute the invention of Group II without traverse. Applicant now desires to prosecute the previously non-elected subject matter of the parent application (i.e., Group I).
2. Applicant desires to prosecute claims 1 and 2, which were originally withdrawn during the prosecution of the parent application. Applicant has retained the numbering of the subject claims, but would certainly be willing to renumber the claims should the Examiner determine that such renumbering is appropriate.

The Examiner is respectfully invited to contact Applicant's representative, Ted M. Anthony, by telephone at (337) 262-9000 or facsimile at (337) 262-9001, if the Examiner has any questions concerning the subject application or this response.

Respectfully submitted:
